Welcome to Wolfbrook Residential

Wolfbrook Residential is New Zealand's largest multi-unit & apartment developer with a proven track record of delivering high-quality, well-built homes to both homeowners and investors, alike.

We understand that there is no cookie-cutter solution to building a property. No two streets, communities or suburbs are the same, & therefore no two developments should be the same.

We don't just simply find a piece of land and slap a building on it – we identify opportunities, research the market thoroughly and strategically select viable locations for developments. From there we work with award-winning architects to build properties that have been carefully considered to optimise the market demands of those locations and their local amenities.

Wolfbrook Residential's founding Directors, James Cooney and Steve Brooks, are experienced property developers and investors who take a long-term view on property. Together owning in excess of 400 residential investment properties they bring a strong understanding of what customers and tenants require in new affordable housing and know how to deliver a product that is affordable without cutting corners.

Wolfbrook have delivered over 1000 homes across New Zealand, placing the company amongst the top 10 largest builders in the country.

We leverage our experience so our clients can reach their financial goals and experience financial freedom.

Maintenance Period & Building Warranties

Wolfbrook only uses trusted building products, tradespeople and building systems when constructing your new property. We take pride in our work and stand behind our properties - after all we build the same properties for ourselves!

All Wolfbrook properties have a 1-year defects remedy period and a 10-year structural warranty, pursuant with the Building Act.

When you settle your Wolfbrook property you will receive a comprehensive pack containing information on Warranties and Maintenance for the products used in the construction of the property. The products used carry manufacturers warranties and are covered under the Consumer Guarantees Act.

What if I notice minor defects?

Give us a call on the contact numbers provided in your Wolfbrook Warranties and Maintenance information pack and we will get one of our team on the job and ensure your new property is up to standard. Alternatively, you can

contact suppliers direct on the numbers provided if you believe there is a defect in the product quality.

Is my Wolfbrook home covered by a Master Build Guarantee?

A Master Build Guarantee is one of a number of residential build guarantees available in New Zealand. While it is a great product, we feel it is best suited to new build contracts where progress payments are taken by the builder. When your sales agreement goes unconditional you will pay a 10% deposit and nothing further until settlement. Your deposit on your new Wolfbrook property will be held in a Solicitors Trust account until the property is completed, title is issued, and settlement takes place.

Some of the other benefits offered by a Master Build Guarantee such as a 10-year structural warranty are also covered by the Building Act and Manufacturers and Suppliers warranty or guarantee.

If you would like further information on the above, don't hesitate to reach out to our team to discuss.

2 Year Rental Guarantee

We understand that investing in property can be daunting – that's why at Wolfbrook we've decided to take some of the guesswork out of it for you. We are offering a 2 Year Rental Guarantee* if you buy from us and choose to have your property managed by us. Like we said, we stand by our product... and our word.

Residents Society

Your new property will have a freehold title – you own the land, and anything built on it, but as you share common areas (or walls) with your neighbours its best to have an agreement that protects your property long into the future. A Residents agreement does just that – it sets up a professionally managed Residents Society that helps manage and maintain the communal facilities of the development for benefit of all owners. It will ensure the development is adequately insured and common areas are safe, clean and a well-presented environment.

Meet The Team

Equiti believe in building better futures, together.

New Zealand has an undersupply of homes. We are not building enough homes to cater for the people that choose to call New Zealand home, let alone the new ones that are arriving each week.

Most Kiwi's know that they will not have enough income to fund their lifestyle in retirement. Some know that they need to do something but don't know where to turn.

Equiti believe in growing wealth through property. This is through a passive, buy and hold long-term strategy. That is buy new, buy well, make sure you can afford it, and hold it for as long as you need to; to get what you need from the property. And review your strategy annually, with your financial adviser and, if you can afford it, do it again....and again. To do this you need a trusted financial adviser, the right property advice and the right properties!

Equiti are the real estate platform that helps to bring it all together. We are here you help you on your journey to create wealth through property. We look forward to working with you and building better futures, together.
