WHY CHOOSE US?

START WITH A STRONG FOUNDATION

Your home is built on a Rib-Raft concrete foundation. They perform better in earthquakes and have been recommended for Christchurch rebuilds. For warmth and comfort, they come with insulation rating up to R2.2.

LIGHTER, MORE DURABLE ROOFING

To keep the elements outside where they belong, Golden Homes® use metal tile or longrun roof iron. They're lightweight, easy to maintain with long lasting colour, and ideally suited to New Zealand weather conditions – so you know the roof will do its job for many years to come.

NATURAL VENTILATION

Breathe easy – we install natural air integrated ventilators in all our bathrooms and toilets to remove damp, stale air and keep it fresh.

FIXED PRICE CONTRACT

At Golden Homes Christchurch all of our House & Land contracts are fixed price. Our fixed priced contracts ensure you are protected against increasing material costs. There are no P/C sums, no hidden costs, no 'allowances'.

WEATHERTIGHT WINDOWS AND FRAMES

Aluminium window joinery specifically designed so the extruded frames are directly fixed to the ZOG® steel framing, providing superior strength and exceptional security against adverse weather conditions.

A WARMER, BETTER INSULATED HOME

With R3.6 insulation in your ceiling and a total of R2.5 insulation in your walls (thanks to the R2.2 insulation and R0.3 Home-RAB® thermal barrier sheet), your home will stay cool in the summer, be toasty warm in winter – and use as little energy as possible.

WHY CHOOSE US?

A DURABLE, PROTECTIVE SHIELD

With Home-RAB® thermal barrier sheets, your steel framing is well protected from any temperature fluctuations and you gain R0.3 in total wall insulation.

FIRE RESISTANT

Featuring components such as ZOG steel roof purlins, steel fascia and spouting ZOG steel framing, plus fire retardant roofing paper and interior wall board, means your home is highly fire resistant

ZOG® STEEL FRAMING THAT STANDS THE TEST OF TIME

With our very own New Zealand made ZOG steel framing, the structure of your home will be as strong as anything. Controlled testing has shown that a steel-framed house with brick cladding can withstand major seismic activity, and because steel can't rot or grow mould, it's healthier for your family too.

SIMPLIFIED CONTRACTS

Our contracts are simplified with no surprises, making it clearer for all parties and a smoother and quicker process - costing less money for lawyer fees!

ENERGY-EFFICIENT

The LED lights you'll find throughout your home use up to 80 percent less energy than regular bulbs and last up to 20 times longer. The insulation you have invested in, keeping your home both cool and warm, means you'll love the reduced power bills.

LONG-LASTING COLOUR, INSIDE AND OUT

Your interior walls are painted with Resene Spacecote®, an exceptionally durable, abrasion-resistant and easily cleaned finish.

TESTIMONIALS

At Golden Homes Canterbury, we pride ourselves on the relationships we build with our customers. The most important aspect of building a house is trust in your builder, whether it be your first home, your next home, or an investment property. We work closely with our customers to ensure that our all-inclusive quotes work with their budgets and wish list – without any PC sums or hidden costs!

From initial meetings, through to contract, construction and handover – we are with you every step of the way to help make your building journey go as smoothly as possible.

Here's what a few of our customers have to say about building with Golden Homes:

“

On behalf of the Pajarillaga Family, we would like to express our gratitude for a job well done beyond expectations. You made our first home build experience very easy and achievable. I remember the first time I contacted, I was in Wellington and looking for a property in Christchurch. Without hesitation, you answered all my questions. We closed our deal and contract to the house and land package (which I had never seen in person before) but because of the trust gained through constant communication, answering lots of our questions, we were able to go ahead and finally started the build journey. It wasn't that smooth during the start of the build due to Covid lockdowns and GiB shortages but soon after, everything became as smooth as butter. It would not have been possible without you. Please extend our gratitude to our Construction Supervisor Greg who spent extra time to finish our house and supervised through the build. And to all lovely staff of Golden Homes – thank you very much.

– K, J & Y Pajarillaga

TESTIMONIALS

“

I am writing to reiterate my thanks and gratefulness for our home in Pegasus. I'm reminded that this is our first year almost done and I have to say we love it. Everything seems to be going well, and our place looks loved and lived in. We have great neighbours, and the area has a good mix of young and old with lots of families settling in. Every time we leave home, we drive past the lake and the stunning views change with the time of day and season. So thank you for all you did for us. I've not forgotten.

– Marian K.

“

When I was looking for someone to build with I knew Golden Homes had high standards and were value for money. They're not the cheapest but you get good quality and workmanship and for me, I knew I wouldn't have any issues. Simon was my site manager, nothing was too much of a problem, great communicator. This was my third time I've built with Golden Homes, the last was 20 years ago and it was great to see some of the same people I had dealt with previously.

TESTIMONIALS

“

Thank you for building our home, our castle. When we entered your showhome, we were greeted by friendly staff. The friendly, open, and honest approach to answering all of our questions is what put us at ease, and reinforced that we are definitely dealing with the right people to build our home. Trust is a big thing for me. And your “no BS” approach really made signing our paperwork a breeze. Our little boy is due any day now. I know that he will be safe and sound in our cozy warm home. Thank you to everyone who looked after us. We are truly grateful for all the hard work you guys have put into making our home a reality. I appreciate the Champion Team at Golden Homes Christchurch.

“

It was just like a miracle, I saw it on Facebook, on Dean's page. I had always dreamed of owning a new home. I clicked the buttons, then Dean called and set a time. We met, and I said “I'm interested” but asked how and Dean said he would help. The whole process was good, I'm happy with Golden Homes because I feel like I'm dealing with Family.

TESTIMONIALS

“

It was a genuine pleasure to have Golden Homes build my first home. Initially, I chose to go with a small builder, as I was under the impression they would offer me more, and that builders like GH were expensive. But that was not the case when I shopped around. GH offered me the biggest square metres and a high value house for my budget.

– J. Stephen

“

My mum's house is almost finished, and we want to thank you so much for all your help. You made everything so easy for us. We really appreciate it. My brother is also looking at buying a property, possibly looking at building... We would love to build the next house with you again.

NDM Construction Ltd.

NDM Construction (founded in September 2018) is named after the owners of the company, Nicki and Dean. N for Nicki, D for Dean and M for McGuigan – it's as simple as that!

"We are happy and proud to run a business where our name is on the door. Our customers, staff, team members, and contractors all know we have an open-door policy, where they can find us easily at any time should they need to," says Dean.

Dean and Nicki are both hands-on and work in the business, with Dean holding the front role of Managing Director and Nicki as the Marketing Manager.

Having experience in owning another well-known local company for 18 years prior to purchasing the Golden Homes Christchurch brand, they both understand the importance of investing in an awesome team of people who listen and deliver on customers dreams and expectations.

"Joining the Golden Homes brand was an easy choice for us," says Nicki. "When we were offered this opportunity, we immediately knew that the brand aligned well with who we are as a couple."

"It's a better home you own is not only the company tagline, it is more than that — it's actually what we do!"

Dean and Nicki are not ones to sit back and take things easy. They have 3 children that keep them on their toes, with two sons aged 22 and 17, and a daughter about to turn 15. Often before the teenage kids rise, you can find Dean out on his road bike, and Nicki on the water rowing. As a family, they are rugby fans and try to get to the games whenever they can.

A current team of 34 staff – consisting of Management, Admin, Consent & Compliance, Sales, Construction Supervisors – means NDM Construction Ltd is one of the largest locally-owned building companies in the Canterbury area.

The latest stats released show NDM Construction Ltd t/a Golden Homes as being a leader in the number of building consents issued from Sept 2021 – Sept 2022 for standalone homes over the Waimakariri, Christchurch and Selwyn District Councils.
