# A Family Legacy

Left to Right: Mike, Siobhan, Caitlin, Simon (and children), Anne, Graeme, Jon & Olivia

Graeme and Anne Sanders began Today Homes 35 years ago in the conservatory of their home, starting with a simple ad in the local newspaper. Through hard work and dedication, they managed to create a home building company the Canterbury community could trust. The three sons Simon, Mike and Jon have now taken over the helm and continue their parents' legacy, building quality, affordable homes in Canterbury for owner occupiers and investors alike. All being qualified builders, they know what it takes on-site to achieve the expected high standard. Graeme and Anne are still in the background, but are enjoying the semi-retired life watching their sons and company thrive. Today Homes is commonly known in the construction industry as the most organised and efficient builders, with systems and procedures in place that ensure every home is built to a high quality and delivered on time. We offer comprehensive guarantees over our workmanship and because we've been in the business of building new homes in greater Canterbury area for so many years having built over 2,500, our customers and trade know they can trust us.

Amazing, professional company to build with. We have done a few builds and their communication and service level was incredible. We received accurate weekly updates throughout the whole build, they stuck to the build timelines and even had CCC ahead of time! Couldn't have asked for a smoother building process - we would highly recommend Today homes!

# The 5 Step Purchase Process

1

## Reach Out to Us

Get in touch with a friendly equiti team member to check if your dream property is available.

2

## Sign on the Dotted Line

Once we confirm the property is yours for the taking, we'll help you with the paperwork using the official Real Estate Institute of New Zealand and Auckland District Law Society Agreement.

3

## Due Diligence Time

After everyone signs the Agreement, you have 10-15 working days to do your homework. Chat with your lawyer, financial adviser, accountant, and mortgage broker to make sure you're good to go. If you're not happy, you can cancel the Agreement without any fuss!

4

## Seal the Deal

Happy with everything? Awesome! Let your lawyer know, and the Agreement will be locked in. Your deposit is now due.

5

## Prepare for Smooth Sailing

Your deposit is safely stashed in the vendor's solicitor's trust account. As we get closer to completion, we'll introduce you to important folks like a building inspector, chattel valuer, property manager, and insurance advisor to make sure your investment property is ready for a smooth and successful settlement!

# Meet The Team

## Equiti believe in building better futures, together.

New Zealand has an undersupply of homes. We are not building enough homes to cater for the people that choose to call New Zealand home, let alone the new ones that are arriving each week.

Most Kiwi's know that they will not have enough income to fund their lifestyle in retirement. Some know that they need to do something but don't know where to turn.

Equiti believe in growing wealth through property. This is through a passive, buy and hold long-term strategy. That is buy new, buy well, make sure you can afford it, and hold it for as long as you need to; to get what you need from the property. And review your strategy annually, with your financial adviser and, if you can afford it, do it again....and again. To do this you need a trusted financial adviser, the right property advice and the right properties!

Equiti are the real estate platform that helps to bring it all together. We are here you help you on your journey to create wealth through property. We look forward to working with you and building better futures, together.
