Welcome to Inspire Homes

Inspire Homes is a residential home developer building across NZ with a wide range of affordable homes. Our homes are designed with comfort and style in mind, featuring spacious layouts and modern finishes that will make you feel right at home. Every home we build, we build with care. We don't treat homes as stock items or just another notch on the belt. Pride in our work is at the forefront of each project, whether a \$650,000 townhouse or a larger \$1.2m home.

We have built and handed over hundreds of homes and typically have 40-50 under construction at any one time. We often but not always complete the underlying subdivision work to the land before building our client's homes. Our favourite locations are Christchurch, Auckland, Gisborne, Invercargill, Whangarei and Palmerston North.

Inspire Real Estate started in 2008 and has evolved into four distinct divisions – construction, property sales and management and a portfolio of accommodation assets.

My name is Anyos Gonczy, and I am the owner of the Inspire group of companies. The firm would be nothing without its loyal and long-serving co-workers and contractors. I am grateful to all involved, and my drive to keep going is a mix of loving my work and ensuring my team is happy and looked after also.

We have two children, Abby and Josh, and my wife Louise is my everything – we have been together since we were 18 years old. They have very little to do with the company but support me continuously. On behalf of everyone, we look forward to working with you.

About The Area

Nestled just 45 minutes north of Auckland's bustling city center, Warkworth is a charming, picturesque town known for its scenic beauty and relaxed lifestyle. Often referred to as the gateway to the stunning Matakana Coast, Warkworth offers a perfect blend of small-town charm and modern conveniences, making it a desirable destination for residents and visitors alike.

Set alongside the tranquil Mahurangi River, the town boasts a rich history, with heritage buildings, boutique shops, and cafes lining its quaint streets. Warkworth's close proximity to vineyards, beaches, and regional parks makes it an outdoor lover's paradise.

The nearby Matakana wine region is a haven for wine enthusiasts, offering world-class wineries, local markets, and artisanal food experiences.

For nature lovers, the surrounding area is abundant with scenic walking tracks, wildlife sanctuaries, and stunning coastlines, including popular spots like Omaha Beach, Goat Island Marine Reserve, and Tawharanui Regional Park.

Warkworth also provides access to nearby islands for boating and fishing adventures, making it a key spot for outdoor activities.

Despite its peaceful, laid-back atmosphere, Warkworth is a growing hub with excellent schools, medical facilities, and future infrastructure developments that promise continued growth. It's an ideal location for those seeking a balanced lifestyle close to nature while still within reach of Auckland's urban amenities.

Warkworth is the gateway to arguably the best of the Auckland region.

As a local, you'll be able to enjoy it all day, every day. With the thriving village just moments away, you'll find everything you need and want. There are established practical aspects like the supermarket, medical centre, dentist, library and of course great educational options from preschool right the way up to university. As well as restaurants, country pubs, cafes, eateries and all the stores you'd hope for in a country town.

Right on your doorstep and connected by a walking and cycling track are the Warkworth Show Grounds, Pony Club, the rugby grounds and fantastic all-weather soccer pitch.

Rental Guarantee

FREQUENTLY ASKED QUESTIONS

Like all investments, there are always uncertain elements that can be intimidating. We understand that, and it's why we take some of the guesswork out of the equation by offering a 24-month rental guarantee when you buy from us and choose to have your property managed by Inspire Property Management.

WHY CHOOSE US?

Inspire is focused on ensuring you get the best out of your property. We understand that whether this is your only rental property or one of a growing portfolio, it is just as important.

Backed by years of experience, we will obtain a premium rental value through proven practices and processes. And one of the most fundamental parts of this is to find you the right tenant. We start with our marketing campaign through trusted channels, websites, networking and social media to ensure your property receives the right attention. Inspire will ensure the best tenant is selected for your property using diligence, research and instinct.

As part of the professional management service that we offer you, regular and thorough property inspections will be carried out. As and when repairs or maintenance are required, we will take the hassle out of organising the work.

Above all, communication is key. Our team is trained in all relevant and recent legal requirements and ensures that you are always informed about what is happening with your assets. Whether that is providing detailed reports on tenants, inspections or maintenance, or chasing rent, our service is unmatched.

How much is my property being rented for?

Your property will always be advertised and rented at or slightly above market rents at the time it is listed. It's not unusual for the rental market to have shifted from the time you buy to when the project is completed. In the event that the market rent is lower than the guaranteed amount, we will top your rent up to the guaranteed amount.

What does the rental Guarantee cover?

It covers rental vacancies and any shortfall between the market rent and the guaranteed rent amount.

When does the Rental Guarantee commence? 15 working days from receiving CCC.

What fees will I pay?

Our rates are among the best in the industry, set at just 8% of weekly rental income. Tenant placement fees and inspection charges also apply and are detailed in our Landlord's pack. We don't charge marks-up on any arranged repairs or maintenance.

How do I pay my fees?

For your convenience, management fees will be deducted from your rent payments and will be disclosed in your monthly statements.

When will I receive my rent?

The 1st and 16th of every month (or the next business day) to your bank account. Monies received will be the net amount of rent paid minus management fees or expenses incurred.

When will I receive my rent top-up, if any?

In the event the property is vacant, the guaranteed amount will be paid to you weekly. When a top-up is being paid to cover a shortfall, this weekly amount will be bundled together and paid monthly.

REAL ESTATE

Rental Guarantee

Do I get to choose my tenants?

Your Inspire Property Manager will select the most suitable applicant on your behalf after thorough background, credit and reference checks.

Who will ensure my investment property is well looked after?

A crucial role of your property manager is being your eyes and ears at the property. They inspect your property every 3 months and report back to you with plenty of photographs and commentary. If and when challenges arise, the property manager will take careful but decisive action to ensure everything is back to how it should be.

What insurance do I need?

Owning a rental property without insurance is like driving a car without your seatbelt fastened. It is for this reason we require you to take out a landlord's insurance policy to qualify for our guarantee.

Should you allow pets?

This is up to you. Allowing a pet suitable for the size of the property like a cat or a small dog may help attract a broader base of potential tenants and let us secure a tenant for you faster. Pets can make it harder for tenants to find new property to rent so you may find you get a long-term tenant when you allow their pets. Ultimately this is your decision and best discussed with your property manager who will be supportive of whatever option you decide.

What happens if my investment property needs maintenance?

One of the perks of new builds is the 12-month defects warranty and 10-year structural warranty. This means we'll take care of any maintenance required during the warranty period. For any maintenance required outside of the warranty period, your property manager will contact you to discuss the best solution.

Do I need a Healthy Homes Assessment?

Yes, any property being rented must be assessed to ensure it complies with the new Healthy Homes standards and a Healthy Homes statement must be provided for all tenancies starting after July 1st 2021. We will arrange this as part of our Management Agreement with you at our cost.

Why build with Inspire Homes

FOUNDATIONS

Geotechnical Engineers analyse every section we build on. Our structural engineers design and monitor the construction of the foundation and Rib-Raft slab to ensure it meets the specific ground conditions. Rib-Raft slabs perform better in earthquakes and provide insulation ratings of R2.2.

MASTERBUILDER

Builders must demonstrate professionalism, utilise best practices and maintain strong balance sheets to give their customers confidence in their ability to deliver a sound home they'll enjoy for years.

TIMBER FRAMING

Timber has naturally lower thermal and acoustic conductivity meaning homes with timber frames are warmer and quieter between rooms. All of our framing timber is pressure treated with Boron to make them highly rot-resistant even in damp conditions. Our Flexible Air Barrier systems prevent water from getting in but allow vapour to get out.

THE ENVIRONMENT

Because our frames are also all from locally sourced renewable timber, they're not just better for your home. They're better for the environment. Bradford Insulation is made from 80% recycled glass.

BETTER, SMARTER INSULATION

Bradford Gold Wall and Roof Insulation is installed to meet or exceed the healthy homes criteria, keeping your new home warmer in winter and cooler in summer, keeping power bills low.

DOUBLE-GLAZED JOINERY IN THERMAL ALUMINIUM FRAMES

Windows are responsible for most of the heat lost in winter and heat gained in summer. Our double-glazed windows feature a low-emissivity coating on the panes, Argon gas in the channel, and thermally-broken or thermally-spaced aluminium frames. These work to reduce thermal transfer not only through the glass but through the frame itself.

Meet The Team

Equiti believe in building better futures, together.

New Zealand has an undersupply of homes. We are not building enough homes to cater for the people that choose to call New Zealand home, let alone the new ones that are arriving each week.

Most Kiwi's know that they will not have enough income to fund their lifestyle in retirement. Some know that they need to do something but don't know where to turn.

Equiti believe in growing wealth through property. This is through a passive, buy and hold long-term strategy. That is buy new, buy well, make sure you can afford it, and hold it for as long as you need to; to get what you need from the property. And review your strategy annually, with your financial adviser and, if you can afford it, do it again....and again. To do this you need a trusted financial adviser, the right property advice and the right properties!

Equiti are the real estate platform that helps to bring it all together. We are here you help you on your journey to create wealth through property. We look forward to working with you and building better futures, together.
